## PROFILE

Motivated and hard-working Applied Computer Science student at University College Ghent. Strong in critical problem solving, analysis and project leadership. Easily adaptable to change, with an eagerness towards learning and expanding capabilities. Good communication skills; able to interpret technical concepts for non-technical users.

## SKILLS SUMMARY

Programming languages	Java & C#: strong knowledge, used in projects
Mobile development	Android & iOS: basic knowledge (still taking courses this term + multiple projects)
Web design / application	HTML5, CSS, JavaScript, JQuery, ASP .NET environment: strong knowledge
Office	The usual: Word, Excel, PowerPoint...
Databases	SQL programming, use of MySQL, Microsoft SQL Server, NoSQL, Hadoop
Network management	Windows Server 2012, Linux (I love the command line)

## LANGUAGES

- Dutch: native language
- English: fluent
- French: conversant
- German: basic knowledge

## EDUCATION

2013 - ...	In progress: Applied Computer Science, <i>University College Ghent</i>
2011 - 2013	Incomplete: 40 credits acquired in Computer Science Engineering, <i>University Ghent</i>
2009 - 2011	High School Degree, Modern Languages - Maths, <i>Central Exam Commission Brussels</i>

## EXPERIENCE

- Summer job 2015: Worked at VDK Spaarbank IT support where I fixed, replaced and updated computers and servers.

## OTHER INTERESTS

- Sports: basketball (played competitively until I was 19), football
- Film: especially Christopher Nolan and Quentin Tarantino films
- Science: space fascinates me
- Chess: though I'm terrible at it
